This seems to be an ongoing issue at SAB and strange that it happened at the same depot twice.

Good Day Rohan

Please note the initial email on the 10 of December from Ntando was a pallet with the picture.

On the 11th Andrew confirmed the number of cases which were 90 (a pallet) at the time.

On the 16th of January Andrew mentioned the additional 59 cases with pictures. (The PO created)

We still need another PO for the 90 cases as per the mail trail.
