Hi Mitch/ William

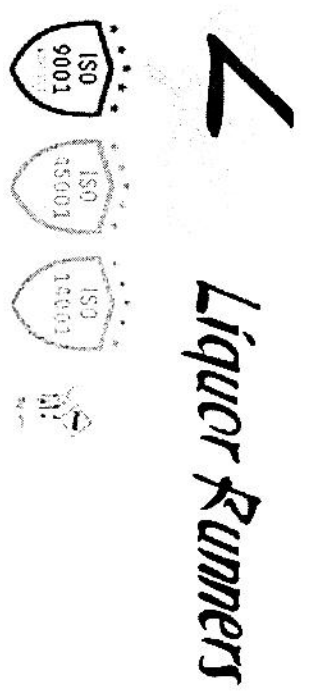

When cancelling orders tendered on TMS or moving them to load out of the overflow warehouse,

Please inform Heineken so they cancel the delivery numbers on TMS so they do not remain as open orders on our side.

It creates confusion between admin and planning as TMS and Accumata invoices are processed separately.

Kind Regards

Lilian

Hi Nina,

William advised those have been changed to collection orders so you don't have to worry about them and can be cancelled.

Best regards,
Mitchell

Also are we executing the Big Daddy's Devland?

Kind Regards
