Hi Clinton

I have just asked for assistance to possibly fill that load up a bit as it is still a bit too small to make it worth while to load out as is.

We will be able to load out if we are able to fill the load up.

Please note we are also waiting for a truck to become available then we will load out the following today:

Airport	Destination	Pallet Quantities
SS189045	LR CPT	7

Kind Regards
