Good morning

Will it be a possible to have this SO cancelled and process a new SO in aid for us to deliver between today and tomorrow?

In the interim our IT department can assess the problem and find a solution.

Kind Regards

Hi Remo

Hope you are well.

Would you be able to assist please.

LR says this SO is not on their sheet for picking, this is for tomorrow.

I cannot see any reason why it shouldn't be.

Thank you
