Hi Sandra,

Please try importing again from the attached sheet, I have deleted all the invoices. I am not sure what caused this error, but I saw there were white spaces on the invoice number column.

Kind Regards

Good day all

Please assist us with the below error picked up, Import was done on Libra but the two invoices for St Francis Blue Bottle created individual invoice numbers for each line item.

Please see attached invoices as well as import sheet pulled from Libra.

Kind Regards
