Diageo's Standard Terms and Conditions of Sale

1. GENERAL

1.1 In these general terms and conditions of sale ("General Conditions"):

- (i) "Contract" shall mean any or each contract between the Seller and the Customer for the supply of Products (however concluded), and these General Conditions shall part of such contract;
 - (ii) "the Customer" means any person to whom the Seller has agreed to supply Products;
 - (iii) "Products" means products sold by the Seller;
 - (iv) "the Seller" means either Diageo Brands B.V., Diageo Scotland Limited, R & A Bailey & Co or Diageo North America Inc.;
 - (v) "Territory" means the territory designated by the Seller to the Customer concerning the distribution of the Products or failing such designation the territory to which the Products are dispatched. Where a Third Party Customer is a member of a Common Economic Area (such as the EU or COMESA), Territory shall mean that Common Economic Area.
 - (vi) "Third Party Customer" means a Customer that is not a subsidiary of Diageo plc and not appointed by any Diageo group company as an exclusive distributor.
- 1.2 Products are sold to the Customer subject to these General Conditions which form part of every Contract between the Seller and the Customer. A purchase order or other equivalent document or request constitutes an offer by the Customer to purchase the Products in accordance with these General Conditions and any conditions expressed verbally or contained in any purchase order or other Customer document (or those which are implied by trade, custom, practice or course of dealing), except those terms specifically agreed to in writing by the Seller, shall be void and of no effect. A purchase order (or equivalent document or request) shall only be deemed to be accepted when the Seller issues written acceptance of such purchase order.
- 1.3 No variation of these General Conditions shall be binding unless agreed in writing by the Seller and the Customer. Notwithstanding the aforementioned, the Seller may from time to time alter these General Conditions in such manner as it shall determine provided that such alteration shall not affect any Contract made prior to the date of the alteration.
- 1.4 If any provision of these General Conditions is held by any court or competent authority to be illegal, void or unenforceable in whole or in part, the validity of the other provisions of these General Conditions and the remainder of the provision in question shall not be affected.
- 1.5 Unless otherwise agreed in writing, references to incoterms are references to the 2020 Edition of incoterms published by the International Chamber of Commerce.
- 1.7 The Customer is hereby notified that the Seller has undertaken to indemnify its Group companies for any damage that they may suffer as a result of conduct involving a breach by the Seller of a Contract (including, without limitation, any breach of clause 6 below).
- 1.8 The Customer confirms that it complies with all laws to which it is subject, including without limitation, payment of all applicable taxes and duties and any local and international bribery and corruption legislation.
- 1.9 The Customer shall comply, and shall ensure that each of its employees, agents and sub-contractors complies, with the Diageo Marketing Code ("DMC") and that any sales promotional, marketing or advertising activity carried out involving the Products shall comply in all respects with the DMC and any other applicable codes of conduct in respect of marketing of the Products which the Seller notifies to the Customer from time to time.
- 1.10 The Seller shall be under no liability to the Customer for sales by third parties of the Products within the Territory.
- 1.11 No term of this Contract shall be enforceable by virtue of the Contracts (Rights of Third Parties) Act 1999, by any person who is not a party to this Contract.

2. PRICE

Prices for the Products shall be exclusive of excise duty and VAT or any other sales tax which shall (other than for any order relating to duty-suspended Products) be charged at the respective list prices on the date of invoice. Unless otherwise agreed in writing, prices shall be the Seller's list prices at the time of invoice; such list prices may be varied by the Seller by giving the Customer no less than 30 days' notice.

3. PAYMENT

- 3.1 Unless otherwise agreed in writing and stated on the invoice, payment for all Products sold shall be received in full, without any set-off, counterclaim, deduction or withholding (other than any deduction or withholding of tax as required by law) by the Seller on or before the date of delivery of the Products.
- 3.2 All payments will be made by wire transfer by the Customer to such bank account as is notified by the Seller to the Customer in writing from time to time. The Seller reserves the right to impose a reasonable surcharge on payments by other methods. Time is of the essence for all payments made by the Customer and no payment shall be deemed received until we have received payment in full.
- 3.3 The Customer may not without prior written consent: a) set off any sums payable to the Customer by the Seller; or b) deduct in advance any amounts due from the Seller from payments due from the Customer.
- 3.4 If any amount payable is not received by the due date then, without prejudice to any other rights or remedies the Seller might have:
 - (i) the Customer shall be liable to pay interest on such amount (both before and after any judgment) at the annual rate of 2% above ABN Amro base rate from time to time from the due date accruing on a daily basis until such time as payment is received by the Seller;
 - (ii) the Seller may cancel the Contract or suspend all further deliveries to the Customer;
 - (iii) credit facilities will be withdrawn, and further supplies of Products will be on a cash-with-order basis only; and
 - (iv) the Seller may appropriate any payment made by the Customer to such Products or part thereof as the Seller may deem appropriate (notwithstanding any purported appropriation by the Customer).

4. RISK AND TITLE

- 4.1 Risk of damage to or loss of the Products shall pass to the Customer in accordance with the agreed Incoterm, such Incoterm agreed in writing in advance (in a contract or purchase order), thereby forming part of the Contract. Confirmation of the agreed Incoterm will be provided by the Seller on the Customer's invoice.
- 4.2 Subject to Clause 4.8 below, notwithstanding delivery and the passing of risk in the Products or any other provision of these General Conditions, unless specifically agreed with the Seller, legal and beneficial title in the Products shall not pass to the Customer until the Seller has received payment in full in cleared funds of all amounts owing to the Seller by the Customer on any account whatever.
- 4.3 Any payment by the Customer for any Products supplied under the Contract shall be apportioned first to Products which have at the date of receipt by the Seller of the payment been disposed of by the Customer, and the Seller shall be entitled to appropriate any balance after such appropriation to such other of the Products supplied by the Seller to the Customer as the Seller shall in its absolute discretion decide.
- 4.4 Until title in the Products passes to the Customer (or if the Customer's right of possession has ceased), the Seller may at any time require the Customer to deliver up the Products to the Seller or as the Seller may direct and, if the Customer fails to do so forthwith, enter any premises of the Customer or any third party where the Products are stored and repossess the Products.
- 4.5 Until title in the Products passes to the Customer, the Customer shall keep the Products in good condition, separate from the property of the Customer and third parties and properly stored, protected and insured for their full retail price against all risks and identified as the Seller's property.
- 4.6 The Customer may, unless otherwise directed by the Seller, resell at full market value or use in the ordinary course of business any Products in which title has not passed, but shall account to the Seller for the proceeds thereof (including insurance proceeds) and shall keep proceeds separate from any monies or property of the Customer and third parties.
- 4.7 The Customer shall not in any way pledge or charge by way of security for any indebtedness or otherwise encumber any Products in which title has not passed to the Customer and if the Customer does or purports to do so all monies payable by the Customer to the Seller shall (without prejudice to any other rights or remedies of the Seller) become due and payable immediately.
- 4.8 Where the Seller sells Products to a Customer in the United States risk of damage to or loss of the Products and legal and beneficial title in the Products shall pass to the Customer upon shipment of the Products; Clauses 4.2 to 4.7 inclusive shall not apply to such sales.
- 4.9 Sales of Products shall include all retail packaging but exclude all other containers and packaging (e.g. kegs and pallets), which must be returned to the Seller in good condition (excluding fair wear and tear), failing which the Customer shall be charged the cost of repair or replacement.

5. LIABILITY

- 5.1 The Seller will not incur any liability to the Customer in respect of any Product disposal, cessation of production, discontinuance or delisting.
- 5.2 Except as provided in this Clause 5, the Seller shall not be liable for any loss or damage arising from non-delivery or delay, for whatever reason and whether in respect of the whole or part of the Products and the Customer shall not be entitled to repudiate the Contract for any such delay delivery or non-delivery.
- 5.3 Non-arrival of Products must be notified in writing to the Seller within 28 days after the estimated date of arrival at the port or place of destination.
- 5.4 The Products must be examined on receipt by or on behalf of the Customer. Any loss or damage to the Products must be notified in writing to the Seller within 14 days of such receipt and any Products which are damaged (including cartons) should be retained for inspection by the Seller.
- 5.5 Subject to the conditions in Clause 5.3 and 5.4 above being fulfilled by the Customer, the Seller shall replace any Products damaged or lost which are at the risk of the Seller or redeliver any products not delivered or, at the Seller's option, credit the Customer for the price of Products so damaged or lost or not delivered.
- 5.6 The Customer shall satisfy itself as to any 'Best Before' dates, and shall be deemed to be satisfied as to such dates unless the Customer immediately and by written notice refuses to accept delivery of the Products concerned, except where such Products are designated as duty-suspended, in which case the Customer shall accept delivery of the Products by shall immediately notify the Seller of the same by written notice.
- 5.7 If any of the Products are defective in manufacture or contained in defective containers, the Seller's liability however arising in respect of, or consequent upon, any such defects shall be limited to the replacement of such defective Products or crediting the Customer with the price thereof as the Seller shall decide at its discretion. The Products are otherwise sold without any guarantees or representations and all warranties or conditions to the contrary, statutory or otherwise and express or implied are expressly excluded except that this shall not exclude the Seller's implied undertakings as to title under Section 12 of the Sale of Goods Act 1979.
- 5.8 Except as provided above, the Seller shall not be liable for any loss or damage of whatever nature and however caused and the Seller shall be under no liability whatsoever for failure to fulfil any order in whole or in part if such failure is due to any cause or event of whatever nature which is beyond the Seller's reasonable control or which makes such fulfilment impossible or illegal.

6. RESALE BY THE CUSTOMER

- 6.1 The Products shall not be resold by the Customer except in good condition in or from the containers supplied by the Seller and exactly as supplied by the Seller or as otherwise authorised in writing by the Seller.
- 6.2 The Customer shall store, condition, package and label all bulk Products, and shall procure that they are stored, conditioned, packaged and labelled, strictly in accordance with the Seller's requirements as notified to the Customer from time to time.
- 6.3 The Products are sold on the condition that the Customer undertakes that the Products will not at any time subsequent to sale become available for purchase on ships or aircraft stores or in any duty free shop or other duty free retail establishment wherever situated, unless otherwise agreed between the parties; or the Customer (or any of its affiliates) shall not (directly or indirectly): (i) sell the Products outside the Territory, or (ii) establish any branch or maintain any distribution depot for the Products outside the Territory. For the avoidance of doubt, exclusive distributors (or any of their affiliates) appointed by the Seller in any Common Economic Area shall not actively sell outside the Territory, although nothing in this clause shall prevent them from making passive sales outside of the Territory.
- 6.4 If the condition in Clause 6.2 is breached, the Seller may, without prejudice to any other rights or remedies available to it: (i) suspend or cancel (in whole or in part) further deliveries, without any further liability to the Customer; and/or (ii) recover from the Customer damages for any loss or damage to the business of the Seller arising directly or indirectly out of such breach (including the amount of any liability on the part of the Seller to its distributors pursuant to the indemnities referred to in Clause 1.7 above). For the purpose of this condition, evidence of availability for purchase of a portion only of the Products delivered under the Contract shall (except to the extent to which the Customer shall prove to the contrary) be deemed to be conclusive evidence of availability of all the Products so delivered.
- 6.5 The Products are sold on the further condition that the Customer undertakes that the Products will not at any time subsequent to sale to the Customer become the subject of duty evasion and if at any time the Seller reasonably suspects that such condition has been or will be breached the Seller may at its sole discretion: (i) continue to supply the Products but only on a duty paid basis; (ii) suspend or cancel in whole or in part further deliveries, without any further liability to the Customer; (iii) request, and the Customer shall supply, full details (including name, address, type and quantity of product supplied) of the persons to whom the Products were re-sold; and/or (iv) withdraw credit facilities and, at Seller's sole discretion, make further supplies on a strict cash with order basis only.
- 6.6 The Customer shall procure that any purchasers of the Products are subject to the same or equivalent conditions as those set out in this clause 6 (including this procurement obligation) and if requested by the Seller will assign the benefit of these conditions to the Seller, except in the case of retail sales to persons not buying for re-sale.

7. INSOLVENCY OF CUSTOMER

- 7.1 Without prejudice to any other rights or remedies available to the Seller, the Seller shall be entitled to cancel the Contract or suspend any further deliveries under the Contract without any liability to the Customer and if any Products have been delivered but not paid for, all sums due by the Customer shall become immediately due and payable notwithstanding any previous agreement or arrangement to the contrary. If: (i) the Customer, makes any arrangement with its creditors or becomes subject to an administration or government order or (being an individual or firm) becomes bankrupt or (being a company) goes into liquidation or receivership (including any encumbrance generally as they become due, suspends any payments thereunder or ceases, or threatens to cease, to carry on business; or (ii) the Seller reasonably considers that any of the events mentioned above is about to occur in relation to the Customer and notifies the Customer accordingly.

8. REPUTATION, INTELLECTUAL PROPERTY RIGHTS ("IPR") AND CONFIDENTIALITY

- 8.4 The Customer shall, unless required otherwise by law, courts or regulatory authorities, keep any confidential information (being the existence of a Contract, information disclosed to the Customer relating to the Seller, a member of the Diageo plc group or the Seller's business) strictly confidential and not disclose to any third party (unless with equivalent confidentiality protections).

9. GENERAL

- 9.1 To the extent that the Seller processes any personal information of the Customer in connection with a Contract, the Customer hereby consents to such processing for the purposes of the performance of the Contract and to comply with the relevant laws of the jurisdiction. The Seller hereby confirms that it will comply with applicable data privacy laws.
- 9.2 These General Conditions and any Contract shall be governed by English law and the parties submit irrevocably to the exclusive jurisdiction of the English courts. For the avoidance of doubt, the provisions of the Vienna Convention on the International Sale of Goods shall not apply to this Contract. In the event that these General Conditions or any Contract of which these General Conditions form part are translated into another language the English language version shall prevail.
