Good day

Please note our driver is currently at the store and was told by the receiving person that they do not want this stock.

I have called Aniska who gave permission to pull the truck.

Please note that this Shoprite store and a few others give us problems like this often and most times refuse to endorse the POD's or even give our drivers their names, if our drivers push for details they end up giving false names or just reject the whole load so we will have to try work around this to get this stock to be accepted.

Kind Regards  
Kayla Crocker
