Ні А,

I can credit this but then I need to have this written off in the warehouse as well.

I will do this now, but it will not be something I can do again going forward. Once the stock has been signed for, we cannot replace and credit damages.

@Stephan Scheepers, please see below and approve S8.

Hi Shamonley

Hope you are well,

The MPS merchandiser had a issue where dropped a case of Jameson select whilst stacking up the cases. 7units were broken and 4units with Damaged caps. Please can we do a credit note for the Liberty argyle. We have chatted to MPS management and we will forward the credit note to MPS where they will off set it from our billing and they will bear the cost of the loss. Let me know if you need any further info.
