30 HILLCLIMB ROAD

A hand-drawn diagram of a cell. It features a large, irregular outer boundary representing the cell membrane. Inside, there is a smaller, roughly circular structure labeled 'Nucleus' at the top. Below the nucleus is a large, clear, oval-shaped area labeled 'Vacuole' at the bottom. The space between the nucleus and the vacuole is filled with small dots, representing cytoplasm. The entire diagram is drawn with simple black lines on a white background.
