Liquor Runners

Figure 1 is a schematic representation of the experimental design. It shows a sequence of events: a subject is presented with a stimulus (a word), then a response is given (a word), and then a feedback is provided (a word). The sequence is repeated for multiple trials. The diagram is divided into three main sections: 'Stimulus', 'Response', and 'Feedback'. Each section contains a series of boxes representing the stimuli, responses, and feedback for each trial. The sequence starts with a 'Stimulus' box, followed by a 'Response' box, and then a 'Feedback' box. This sequence is repeated for multiple trials, with the 'Stimulus' box being the starting point for each trial.
