I have billed Shoprite to cancel the previous credit that was created.

Hi @Tumi Motedi

The stock indicated below has not been collected by Signal Hill.

Despite Nadia's attempts to communicate regarding the collection, she has not received a response.

The 143 cases of Strongbow which was delivered to DC with a factory fault issue, will disappear.

Cost incurred will be passed on to Signal Hill to sign off the claim.

Hope to hear from you soon.

Hi Tiaan

Please can you look into what happened here.
 Did we send stock to Shoprite DC on a credit note and then credited them for stock never uplifted?
 It looks like we took stock there and then credited them when they did not receive it.
