RE: HEINEKEN SILVER DRAUGHT KEGS – DATE CODING ERROR

We trust this communication finds you well.

We have been made aware of Heineken Silver draught kegs in the market that were regrettably produced erroneously with an incorrect Best before (BB) date printed on the keg units which were already distributed to trade.

We hereby confirm that the best before date for the kegs in question should reflect as indicated on the pallet sticker, and NOT the actual date (e.g., *BB 04 Dec 2023*) as printed on the keg units. The product is still very much fit for consumption until end of December 2023.

The correct BBE date should read: **BB End Dec 2023**

Quality is at the heart of everything that we do, and we pride ourselves in offering our customers and indeed, our consumers, the highest quality products.

Kind regards

A handwritten signature in black ink, appearing to read "Muziwandile Zulu", written over a horizontal line.
